How Maths Can Help You Win

Liverpool Capstone Theatre

Thursday 22 June 2017,
10 am–12pm & 1pm–3pm

Tickets: £9 (inc VAT) – teachers are **FREE**.
The Capstone Theatre, postcode L6 1HP, is about
fifteen minutes walk from Liverpool Lime Street station.

Inspire your Year 9s and 10s with a maths show
that will captivate even your unenthusiastic
mathematicians.

If you think games are just for fun, then think again.
Games contain some of the most important maths
you'll ever need in everyday life, from managing money
to out-thinking competitors. In this feast of mathematical
games our speakers will demonstrate the unlikely usefulness
of probability, puzzles and percentages. You'll get a chance
to play some games, and you could even win a prize.

It's the most important fun you'll have this year.

**These shows are a joint venture between Maths Inspiration
and The Further Maths Support Programme.**

Ben Sparks is a mathematician
and musician who travels the country
demonstrating the beauty of maths.
He's based at the University of Bath and
still gets surprisingly emotional when playing with maths
(whether that's playing games, playing guitar, or just playing
for laughs). His favourite game is X-COM.

Helen Pilcher is a journalist and
comedian who happens to love statistics.
She recently appeared on Radio 4's
'More or Less', explaining how, by 2043,
one in four people will be an Elvis impersonator. If you ask
her nicely, she can tell you the frequency of letters in a tin of
Alphabetti Spaghetti. Her favourite game is *Catan*.

Rob Eastaway is an author
whose books on everyday maths
include the bestselling *Why Do Buses
Come In Threes?* and *The Hidden Maths
of Sport*. He appears regularly on radio to talk about
the maths of everyday life. He particularly likes games
that involve a combination of strategy and chance – his
favourite is *Perudo*.

All prices include VAT (our VAT number is 547 9272 06). You can find out more details on our website www.mathsinspiration.com

Booking form: **Liverpool** 22 June 2017

Please complete and return this form to:
Maths Inspiration, 18 Colwell Road, London SE22 8QP

BOOKING

You can provisionally book seats by
e-mailing sarah@mathsinspiration.com
or by telephoning Sarah Cooper on
01483 527712 with your name, school,
the event, time of show and the number
of seats you would like. We only accept
bookings from schools or colleges.

To confirm your booking, you need to
send your booking form and cheque
to us within three weeks of the date
that you receive confirmation of your
provisional booking. You may also
pay by BACS (we can send you a VAT
invoice). For full terms and conditions
and details of all talks and venues visit
our website.
